

KiwiRail Ltd / Veolia Auckland/ Rail and Maritime Transport Union Collective Agreement

TO ALL RMTU COLLECTIVE AGREEMENT MEMBERS WHO ARE EMPLOYED BY KIWIRAIL LTD AND WHO ARE OR WILL BE EMPLOYED UNDER AND COVERED BY THE PROPOSED COLLECTIVE AGREEMENT

RMTU – KIWIRAIL JOINT REPORT BACK MEETINGS

The Union and KiwiRail bargaining teams have negotiated a provisional settlement for a proposed Collective Agreement that is now subject to ratification by postal ballot of RMTU members.

The RMTU bargaining team recommends Union members ratify the proposed settlement and RMTU National Office will issue explanatory documentation and ballot papers soon.

To enable RMTU members to be able to ask questions face to face with both the RMTU and KiwiRail negotiators, this year's settlement report back meetings are being conducted jointly. It is anticipated that there will be time within the meeting when the KiwiRail representatives will be absent from the meeting to enable Union members to speak frankly to their Union negotiators.

The report back meetings are expressly for all RMTU members who are or may be covered by the KiwiRail/Veolia Auckland/Rail and Maritime Transport Union Collective Agreement. The meeting times and dates are attached.

As part of the ratification process KiwiRail has agreed to pay RMTU members who attend the meetings two hours at ordinary rates.

**Company Managers & Union Delegates MUST
work together to ensure maximum attendance at
meetings.**
